If your payment is more than 2 weeks late, your child will not be able to attend school until all fees are current.

A \$20 returned check fee will be applied on all checks that are returned from the bank. Upon notification, the amount of the check and the returned check fee will be due.

Tuition for the Preschool is based on operating costs of our program. Therefore, non-attendance due to illness or short vacations will still be charged. This will also ensure a spot will remain open for your child.
