We look forward to seeing our parents and students for our open house. If you have more than one child attending please come at whatever time is most convenient for you. You will have a chance to drop off school supplies and visit the registration table to complete any forms needed. Please bring your September tuition with you. The kids will have a chance to meet new friends, see old friends, and have a fun time playing! We will also hold a parent meeting to go over some important information. If you have any questions regarding the schedule please feel free to give us a call.
